“*Ruby, Carl, Bill and I spent many hours cruising the Great Lakes and sitting at our docks telling stories. We had so much fun and great memories were made. Ruby was the life of the party with her wonderful smile and great sense of humor. We became great friends and they will always be remembered as the most beautiful and generous people we have ever known. Our condolences go out to the Viviani family, they will be sorely missed. Love, Bill and Carole Day*

My condolences to Greg, Randy, and John and their families during this time. Know that Ruby always brought a smile to my face and will be missed.*
