“ Chad, Brad and Kim, I'm so sorry about the passing of your mother who we affectionately called Grams in our high school and college years. She was always so positive and full of energy. We had a hard time keeping up with her. Rest in peace Mrs. Brenner and rest your 3 souls as well.

“*Ruth's enthusiasm and constant encouragement and affirmations for others made our world a better place. Simply her presence would light up a room. Her heart was always filled with gratitude as she spoke so fondly of her greatest legacy- her wonderful family. Her passion, so deep, often brought tears to her eyes. "Yay!"- her favorite thing to say, my rock of perseverance! Ruth's strong faith in biblical teachings, and her optimism of a future with no more pain or bodily limitations gave the enthusiastic hope that became the light of her path. She will forever remain in my heart. She is my cherished friend, forever.*
