“ *The family of Joe Lesko sends their most sincere condolences to the Trivisonno family. We have great memories of Sally at Big Leaguers picnics and other gatherings. Sally was so full of life. She brought joy and laughter with her and as children, we loved being around her. We hope your fondest memories of her bring you peace. May the comfort of knowing that Sally and Joe are together again help see you through this difficult time.*

“ Remember being introduced to PTA when Sally was president at Mapledale Elementary and was sad when she and her family moved to Mentor. Followed her husband and son's coaching careers as the years have gone by. Many years later ran into Sally and Joe when he told me Sally was experiencing Alzheimer signs. My sympathy to family and friends to have to lose Sally twice - once to disease and once at end of life.
