“ One of the beautiful memories I have of Sam was about his love for his wife Marge. A few months after Marge died I was walking past his house and saw him sitting on the porch. I said hi and asked him how he was. He said that he was fine, that he was just sitting there talking to Marge. I miss Sam, he was a great person, but he is with his Marge, the love of his life, so I know that he is happy.
