“ We cannot imagine how you are feeling right now. There are no words of comfort or solace that will help with the pain.

We can only say that our thoughts are with you all and we are here if you need anything.

Sam is with George, Elsie, Brian and Gary and they are looking after him.

“If you should open your eyes, and find that I am not here, just remember how much I love you and please do not shed a tear.

For although my life on earth might be over, and my days would have been fulfilled, know, that I did what God intended, and my rows would all have been tilled.

Just think of me with smiles, hold my memory in your heart, for, if you don't forget me, we will never be apart.

Know, that with all of my heart, I love you, and I will be there by your side, watching, standing over you, I will always be your guide.

And if one day you feel a sense, a whisper in your ear, don't be alarmed, it's only me, to let you know I am near.”

Our hearts and condolences go out to you and you are all in our prayers.
