So sorry to hear the sad news. I am still numb, We hugged after an awesome lunch that late June day, and made plans to meet in Aug to make plans to go to Vermont in the fall to see the leaves change color. I will miss her friendship, her laugh, all the crazy times we shared. I met her at Lakeland 24 years ago, been with her thru thick and thin, talked about our pets, children and flowers!! Sandy I will miss you my friend, you are at peace!
