“ I met Sandy when I first worked at source one she was one of the nicest people in my department. I saw her at heartland when my brother was there over a year ago. We just kind of picked up where we left off . She always talked about her soul mate and how much he meant to her. I am so sorry for your loss sending prayers to all of her family and close friends she was a wonderful person with strength I can only imagine having. May you rest in peace Sandy 🌸
