“ I only knew Sandy for a short time, but in that time we had a lot of fun. i was her neighbor at Concord Place and we spent our summers sitting on her porch discussing things and watching the world go by.
I moved and I truly missed her and now I miss her even more. We spent a lot of time on the phone. I know she is now where she really wants to be, With our Lord.
My prayers and thoughts are with you all..God bless.
