“ *To the family of Sarah POSNICK:*

*I was deeply sad to learn of your mother and grandmother's passing and I would like to express my deepest condolences.*

*I had great admiration and deep respect for your father who was a great president. He has conducted his company with great rigor and humanity.*

*I deeply believe that your mother had an important part in creating this family spirit within our teams. I had the opportunity to meet her several times. She was a great lady. I still remember with emotion the two letters of congratulations she wrote to me during the remarkable achievements of FERRO France in the field of perfumery.*

*So, let me share your sorrow on this day.*

*With my kind regards,*
