“ Even though we grew up together, Scott and I had the most fun working together at the S.O. We always joked that we were gonna end up in Room 204 together for the harassment we have to each other. Scott's personality was infectious and his interpretation of the English language was impeccable. Fly high with your angel Kathleen. My love always!

“ Scott and I shared the same kinda love, for our granddaughters and soon to be grandson. I will always talk to them about how much he loved them and was so proud to be their papa Scott. You are going to be so missed in all their lives, and you will live on through all of them.

We loved you when you took a hatchet to our wooden picnic table. We loved you when you brought our lawn mower out of the garage, more than once, and left in our snowy driveway. And we loved you when you climbed our flagpole on Coleridge Rd. You made us laugh, you made us cry and you made us love you forever! Ron and Sandy Richardson
