“ Dear Donna, Gary and Family,
I am so very sorry for the pain and agony that dear Sean's departure from this life causes.
Life is too often cruel, confusing and inexplicable...and leaves us with questions that have no answers. Please be strong in your faith because we all need to be ready when Sean is with you--smiling and wonderful--once again and forever. I dry my tears and know that you and the Skulski Family will, in time, be blessed as you keep Sean alive in your hearts.

“ Donna, Gary, and family,
Bob and I are in Florida for the winter, but fortunately for us the grapevine is active down here! I cannot express adequately our sadness for the grief you must be feeling at Sean's sudden passing. The loss of a child is truly life's worst cross to bear. Please know that we hold you in our thoughts and prayers during this most painful time in your lives. We ask God to hold you in the palm of his hands and to comfort your hurting hearts.
Sincerely,
Jane and Bob Richmond
