“ I was in Euclid High School with Sherri. I didn't know her well, but what I do remember is how cute and nice she was. She was nice to everyone, no matter who you were.

“ *I'm heartbroken. She was one of my very best friends growing up. Our lives were separated by time and I will forever have her with me. She is sunshine on a Rainey Day and we use to play at the Beach during summer storms.. Ill be with you on that beach again, where we spent literally 1/2 our lives.. Dalwood Rocks.. I love you my old friend and save a spot for me on the Beach. Respectfully Aileen Osborne*
