“ I miss our phone chats and updates about her family as well as our reflections on growing up with our large family at Pickwick MN. We talked about all the chores on the farm and orchard but still enjoyed the fruits of our labor including strawberries, raspberries and apples. When the Hollander family came to MN for summer vacations it was most always at harvest time so they could take home berries, Grandpa's sweet corn and anything that was able to be preserved back in OH.

*Shirley now is free of pain and at peace with our Lord and Savior. Our sympathy and love to Pam and Sandy and your families from Kathy, Richard, Grace, Norma, Diane and Sharon.*
