“ I worked with Lee at Richmond Heights General Hospital on 3 East from 1977 to 1981. What a sweet person she was. I could talk to her about anything. We took our evening break together and watched Dallas & talked in the waiting area by the elevators. I missed her when she retired. It's been 45 years. She came to me in my thoughts today. Looking forward to seeing you again one day Lee! Rest in sweet peace... Prayers for her Loved ones.

“ I remember taking her to Memphis Tennessee because she was a big Elvis fan. We must have laughed the whole time and she was so excited to be there. We had so much fun together. I will never forget that trip with mom. -Lois Pflueger
