“ Grandma Sophie was a beautiful and classy lady. As a young girl I remember her cooking in the kitchen for the family on holidays and birthdays. The table setting was always so elegant. I also remember all the beautiful cakes she had for the family. Grandma Sophie always dressed so beautiful. I always remember how she let me go in her closet and wear her fancy high heel shoes while I was there. That probably was the only time I could ever really walk in high heels! I love you Grandma Sophie!

Love,
Lisa
