“ *Stella (Mrs. Ring) was my second Mother. I met Stella when I was seven years old on Broadwood Dr. I will never forget all the compassion and kindness both she and Tim gave me. They were kind enough to have clothed me, sheltered me, and loved me. I spent so many Sundays at their dinner table where we talked and listened.*

*I learned a great deal from them and hold dear the memories. Until we met again.. rest in peace.*

“ *I first met Stella in 2015 after I moved to Painesville and began frequenting the Mentor Avenue McDonalds, where she was a regular customer. We found that we had a lot in common, including our age, a love of cats, and an interest in needle crafts. I remember how kind and generous she was and how she always was happy and laughing. Even after I moved to Cleveland's Westside in 2018 and then to Washington State in 2022, we stayed in touch. I was very sad to hear of her passing. Thank you to Dennis for letting me know.
