“ You have been our friend for 50+ years. I remember the day you were married, selling Amway products, and the birth of your children. I'm sorry we seemed to lose touch in the last few years, but know you were very special to all of us.

“ I remember holidays at grandma's house on Kelley discussions (quite lively) about laundry who's turn it was to do dishes after dinner girls or boys ((there were 13 of us children. also chasing each other down the alley barefoot to see how tough we were. We were so close in age and it was always a competition
