“ I remember Steve from hikes with the North East Ohio Adventures. He was very kind & so warm to talk with along the hikes. He wanted everyone to feel welcome & to enjoy the hikes. I also remember the special hamburgers he cooked for us all at the picnic. He seasoned them with something very yummy & shared that deliciousness with all of us! Thank you Steve for bringing such kindness & warmth to all us on the hikes & get-togethers. You helped create pleasurable times & memories for us. I certainly hope you are continuing to enjoying adventures on the other side of the veil!
