ME

“ I am so sorry to hear about Sue's passing. I haven't met you, her family, but met Sue about 9 years ago and want you to know that I found her to be a good and loving person. She could make me laugh! And she could laugh at her own problems. I think she made the world a brighter place and I sincerely hope that she has found peace. My prayers are with you.

“ My thoughts and prayers are with you at this time. Doesn't seem like it was all that long ago that we were all running up and down the street together. *Debbi Hendershot*
