“ Sue,  
*I just found out. My heart hurts that I will never catch up with you here again. Thank you so much for so many beautiful memories of a friendship nothing can compare with. Shopping days, Alzheimers walks, my first and only fondue meal ( it took us 2.5 hours!). Giving you Micro and hearing all of his funny antics. Just hanging out and being quiet together. You will always be one of my best. Until I meet you aging in heaven, I will cherish us forever*  
*Love you Korenna*
