“ I will always remember the great times we had together in Canada. We are all dressed up to go to "Miss D's" for dinner. I'm sure going miss player poker with you at New Years. Love you Teddy!

“ How can it be that you are gone so soon from this life Cousin? Although we had not seen each other for many years, it does not seem that long ago that we were at Grandma & Grandpa's for Christmas as kids. Aunts, Uncles and Cousins all crammed into the living room opening up presents and laughing and having fun. I can almost smell grandpa's cigar and see their Christmas tree covered in tinsel and those big colorful Christmas lights they used in the early 70s.

*I thought we would have more time, time to grow old(er) and maybe see each other again but life ended far too quickly. My heart breaks for those closest to you but I take comfort that you are free. We will always remember you and keep your memory alive. ❤️*
