

Terrence "Terry" M. Adams

December 3, 2015

Terrence "Terry" M. Adams, 74, of Kirtland passed away December 3, 2015 surrounded by his family.

Terry is survived by his beloved wife of 51 years, Nancy; his daughters Noelle (Steven) Katai, Natalie (Richard) Bendure; his grandsons Riley and Royce and countless friends and family who were fortunate to have him in their lives.

Born and raised in Cleveland, OH, Terry earned his Masters in Physics from John Carroll University, and his Bachelors in Electrical Engineering from Case Western Reserve University.

An Electrical Engineer, Physicist, Eagle Scout and Musician, Terry was student of life, and life long learner. He was passionate about playing guitar and singing, and enjoyed his retirement years performing at local coffee shops, nursing homes and assisted living facilities. He was known as TerryTune and his tag line was, "Music Soothes the Soul". Not only did he cover Neil Diamond, James Taylor and The Eagles, but he also wrote some originals.

Terry cherished the simple things in life; he loved spending time with his family and friends. Weekend cookouts, campfires, holidays and throwing a football with his grandkids brought him tremendous joy. He always added color to any

situation through his sense of humor and knack for flare. Turning the mundane into an event with a coordinating outfit and accessories for any occasion was his specialty.

The world is a better place for the time he walked this “pale blue dot”.

Visitation will be held from 2:30-5:30 p.m. Saturday December 12 at the Brunner Sanden Deitrick Funeral Home, 8466 Mentor Ave., Mentor.

A Celebration Of Life Service will follow at 5:30 p.m. at the funeral home.

A burial service will be held at 1pm on Monday December 14 at the Western Reserve Memorial Gardens in Chesterland, OH.

In Terry's memory, the family requests that you perform a random act of kindness, and/or make a contribution to The Holden Arboretum, 9500 Sperry Road Kirtland, Ohio 44094.

“ At Case Terry, Harry Fox and I would study together - helping each other to graduate. Although we went our separate ways after graduation, we occasionally got together. I was looking forward to our 55th reunion next year.
My prayers for Terry and his family.

“ Dear Nancy and family,
I would like to extend my condolences to you and your family on the loss of your beloved husband Terry.
I don't know if you will remember me but we lived next door to each other on Eastwood Ave., in Mayfield Heights. I remember your beauty and when Natalie was born, she was so beautiful.
Nancy, those we love never leave us, they live forever in our heart and mind.
May all the wonderful memories you shared with Terry be of comfort to you at this most difficult time.

Fondly Remembered,

“ I will always remember Natalie's 16th birthday party, and how proud Terry was to present her with an electric keyboard. He loved music and sharing the gift of music with others. His presence will be missed by many and we wish he could have spent more time here with his family and friends. Love, Elizabeth
