“ I'm sorry for your loss. I worked with Terry at Lakewood Hospital in the early 1980's and I've thought about Terry often through the years. I have not been in touch with Terry since way back then but I remember him always smiling, joking and I can still almost hear him laughing. Again, my condolences. Ron Drews

“ Terry was a wonderful person. My twin brother Mike went to St Ed's with Terry. A group of us hung around in our high school days. My father knew your father so it was nice to talk and see each other. What a terrible loss. So sad. Sending love and prayers your way. From the Logue family 🍀
