“ With fond memories of a truly gentle soul, I share this memory of Ted. As an audit partner on many Reliance, Toledo Scale and Dodge visits, I think fondly of our work and time together on those audits. I appreciated his kindness and especially am honored to have benefited from his knowledge. I recall with delight our trip to Walnut Creek (Laura Ingalls Wilder days) when we audited the Mankato facility. To Louise and family I send my deepest sympathies.

“ *One of my favorite memories is from Mike and Mary's wedding, watching Ted and Mary in the Father-Daughter dance. It was so heartwarming to see the way Ted looked at his now grown daughter, the years of love, pride and tenderness all very evident on his face. I'm so glad I was able to meet Ted and get to know him a bit in these last few years. The world is a better place for having had him it.*

“ I am very upset that I cannot get to Ted's services. I worked with Ted at Addressograph and at Reliance. he was a great guy and I enjoyed the times we spent talking. Unfortunately, Peggy and I have a family obligation so I cannot turn out as a 4th degree knight to honor my brother knight. My condolences to his family. Ted was one of the good guys and will be missed by everyone who had the chance to know him.

“ Although our adult lives sent us in different directions and states, I can never forget our growing up years and all the great times we shared with your parents, Sharynn and the entire Jacko family. Give them all a kiss from me now that you are reunited. My heartfelt condolences to Lou and all your children and grandchildren. You will be sorely missed, but they have very very special memories of the husband, father and grandfather you were. Heaven definitely gained another angel.
