“ *Very sorry to hear of Ted's passing five or six days ago. Enjoyed knowing Ted at Lakeland Community College throughout the years. He always had an enjoyable way about him. My wife and I liked going to dinners with him and Judy.*

“ *Ted was the best kind of friend a friend could have, and I'm so grateful for the friendship he shared with my Mom and Dad. Ted was very important to them, for his kind support, and for the dignity with which he faced his own battle. Thanks Ted.*

“ *I worked with Ted at Lakeland Community College for about thirty years and I could not have asked for a better colleague. Ted was an excellent teacher who was an expert in accounting and finance. He always had a positive attitude with a smile on his face and a friendly tone in his voice. He was well liked and respected by his students and colleagues at Lakeland. Ted loved his family and felt a good family life was important to everyone. If more people were like Ted, this would truly be a better world. We will miss him.*
