“ My Aunt Theresa was my fathers sister. Anthony Ivan Skur. Being the only sibling to leave the Euclid/Cleveland area to join the military, we visited every chance we could. We would always stop immediately at cooers twist n shake. Aunt Theresa would make a cone a foot high for me. One time she and Fred came with Jill and Cheryl to Baudette Minnesota to visit. The men went hunting and mom and aunt Theresa bought mink coats. That’s fair. I just learned of her passing and it make me sad. I loved time spent with her that family. But mostly, frozen custard.
