“ *My sincere sympathy to everyone in the Brew Family. Tom and I work together on many projects at work. We were ill at the same time with some of the same issues and often talked through these. Tom is a wonderful man, friend, husband, father and grandfather and is now and forever watching over his family. I am so sorry for your loss.*

“ *I had the opportunity to meet Tom on two occasions with a friend of his. From those times I knew that he was a fine person. Always laughing and smiling and acted as if he'd known me forever. May your memories and love for him find you peace.*
