“ Tom Morgan was my mom, Darlene Graham's, high school sweetheart. She always talked of him throughout my life. I think she often thought of him as "the one that got away". I had reached out to Tom a week before my mom died and he came over to visit. It brought my mom great joy. He came to mind today so I looked him up and I am so sorry to hear of his passing. My thoughts are with Tom's family. Please know he had such a positive impact on my mom's life not only during her teen years, but significantly in her final days.
