“ I had the good fortune to know Tom when he first started Cool It Refrigeration. Through his company, he installed and maintained our DQ equipment for over 50 years. He always cared and always did a great job. He was the man who had your back. Through the good times and the difficult ones, he would lighten the day with a smile and a story.

His son and grandson are following in his footsteps. A tradition of excellence that spans time and generations.

Rest in Peace
