“ Hi Maureen and Family, Maureen's Dad is my Grandmother's brother. That makes us cousins. I think I was 8 when I met Tim for the first time. He and Maureen had just gotten married. They were visiting Cincinnati so we could all meet him. We have a large extended family so meeting the family usually involves at least 20 people. Tim fit right in, handled it with grace and made everyone laugh. He really was a great guy and will be missed. Love and blessings to all, Kathy Van Vyven
