I would have been there in a heartbeat if I'd had known. I don't read obituaries EVER and I'm terribly sorry for your loss. I have known Tim since I was around 10 years old.I did not see him often but when I did I remember him fondly. Truly very sad I found out this late and did not attend his funeral. Much love to the entire family. Kathleen you will FOREVER be my sister.

“ I have been friends with Tim for almost 60 Years . We lived on the same street and his mother would tell him not to play with Italian boy he was trouble and robbed purses . We used to joke about that all the time. As we got older he would always find a way to go down and visit my mother and father and have a glass of wine. We caddied together and had a lot of fun . I would call him once a month over the past few years and joke and tell old stories. I sure will miss calling him and going over old memories .

“ Harry, Kathy and family,  
I am so sorry to hear of your loss of TIm.  
He was a very special friend! We spent many  
days at his kitchen table laughing and  
sharing old stories among other things!  
TIm loved his dog "Lola", loved all animals, always willing to help a  
person in need.  
He was empathetic, kind, and never complained....except when his  
doctor refused to give him pain pills because he smoked a little  
"Pot",  
Harry, you were the "Apple of his eye"! May the Angel of Peace rest  
softly on your shoulders.....TIm is now free of pain, and is keeping  
an eye on you!!!!  
Hugs and love

“ I've known Tim(and Linda) almost 40 years. Tim and Linda always welcomed me into their home. When they lived in S. Euclid, my daughter was ill and in and out of the Cleveland Clinic. Tim was always fixing my car for me, would NOT take any money from me, in fact a few times he filled the gas tank, had my car cleaned inside and out, and left me a \$100.00 bill in the ashtray. Several times when I visited them, THEY would give me lamps, or blankets, or curtains, and when I got home there'd be an envelope with money in it "To Help You Out" written on it. They knew I needed help, and that's the way THEY were with me. Everytime he was in the hospital I would go visit them. They treated me like extended family! I will Always remember THEM BOTH for the Kind, Loving Memories I will Cherish forever. Go Tim and grab Linda's hand and be Forever Happy now that you are BOTH together AGAIN! Lots of Love! Kathleen,Harry,Andrew, Andy, Jimmie and his daughter and family My Deeprst Sympathy! May you All find comfort in your fondest Memories of Tim. God Bless LOVE you! Cindy K
