“ Tim was the example of what a well raised son should be, He had a beautiful heart and was dedicated to what and who he loved. And that handsome face and infectious smile!! The world has lost a sincerely beautiful human being. I can't fathom the sorrow that your family and friends are trying to endure at this time and I raise up prayers for you all. May God's loving arms embrace you all during this very sorrowful time. Rest in Peace Tim.

“ I got to work with Tim at Willoughby, Mentor and Chardon Heinens. We had a great time demoing Beer and Cheese together. Tim and I would talk about food and what he would be making for dinner. Later in the evening I would get a picture of his amazing dish he prepared. We had many laughs in the years I have known Tim. My thoughts and prayers are with the Roos family. Every time I see the Oatmeal Chocolate Stout I will think of Tim. I will remember the great laugh we had over it. RIP Tim

“ I did not know Tim personally, but he was a good friend of my son-in-law, Ron and my daughter Annee so I have heard what a wonderful person he was. He made it a special point to be kind to my grandkids and always had special treats for them when the family visited and was attentive to them. It means a lot to me to know that he was so kind and thoughtful to little kids. I believe this says a lot about a person's character. This world has lost a kind and thoughtful person.

“ Dear Don & Mary,

Tragic is the only word that comes to mind in the loss of your son Tim. One moment and our lives are changed forever. We are so, so sorry for your loss. May you find comfort in all the prayers and love coming your way from friends and family during this difficult time. We'll never watch a Cavs game again without thinking of your super fan son - and they've won four in a row - how happy he would be!!

“ Tim was my high school sweetheart. I have always thought of him fondly over the many years it has been since those days. He was the funniest person I knew and he always made me laugh. I remember how his smile could light up a room. We have ran into each other a few times over the years and I was always happy to see him. I will always remember him as my first love. My heart sank when I heard he passed away. My heart goes out to his family, his girlfriend, and his friends. The world has lost a wonderful person. I'm so very sorry for your loss.
