“ Jen and Family our are with you lots of love and prayers sent your way. It's got to be close to 30 years I've know your family. Remembering your dad's fried peppers and sausage, good laughs, Robert Woods (Robbie) surprise party where Dorkey Doreen came to the restaurant, my 50th birthday countless great conversations. Visiting you after you had Aiden seeing your mom and the GLOW she had from being a grandma. Not knowing Dan at all but knowing your Dad had a direct influence on that AND he's a great guy. You have many strengths from your parents all wrapped up in your dynamic self. Your friends for life Monica and Robbie

“ So many memories of Friday evenings when Charlie & I would go to Davitino's for dinner, drinks and conversation with all of you and stayed long after the restaurant closed for the evening and hang out. Although I am deeply saddened, I am glad she is at peace. Love you Jenn and my deepest sympathy to the entire family.

Lee & Dottie Denena

We enjoyed dining at Davitinos from 1992 till 2008 when we moved to mid-Ohio. Great food and atmosphere in original location. I remember as if it was yesterday the first time I had Pollo Bianco. Oh my, just melted to my mouth. And the marinara sauce, the best. I miss the restaurant so much. But I have to say Tina was the best, always so gracious & kind to us.

Our deepest condolences, and I know she will be truly missed! 🙏😭
