“ My deepest sympathy on the passing of this lovely beautiful man that was taken too soon. May you all be comforted at this time. Remember Psalms 46 verse 1 and 2 tells us that "God is our refuge and strength, an ever present help in trouble. Therefore we will not fear, though the earth give way and the mountains fall into the heart of the sea." Have faith and take comfort family.

“ Taylor, Paige, and Hannah; I am very sorry for your loss. Your father was one of the funniest people I ever met. Coaching the team with him was an honor and a highlight of my life. I never thought I could laugh so hard, while we were losing by 20 points. He definitely brought fun back into the game. He never gave up on the team regardless of how good or bad the team was doing. Take that with you in your lives; be proud, be strong and never give up.

“ I will always cherish the memories of Todd, Michael and I playing Evel Knieval on our banana bikes, sled riding on Miller's Hill, ice skating in their backyard, playing Wilderness Family , having apple fights and building tree forts, and walking to and from school everyday for six years. Todd and Michael were the most fun, loyal and dearest friends I could have asked for. I will forever miss them both and am glad they have been reunited.

“ My daughters, Katie and Melissa always looked forward to playing softball with Todd. Watching them and Todd (as their coach) was always our favorite memory of summer. He used to always tell them to 'Be You'.
