“ I remember Tony always wore his pants high up on his waist. He loved being with his family and they loved being with him. He was a part of everything going on around him usually quiet and observant. A very good man.

“ I remember being at the Hoste house, on Wood Street, when I was in about 7th grade...what a busy place with your Mom & Dad & I can see Tony coming home from his job! Terry explained how he always had a special order of doing things...maybe he had a better idea than all of us random people put together! Much love to all, Maryann Somrack Hudgins.

Tony was a truly special person. We "winos" know he kept Annette in line. When we would meet at Hoste house, Tony would be at top of steps listening to us laughing. He had his routines. We enjoyed Annette's stories about Tony. Deepest sympathy to family and especially Annette and Jack, Tony's special caregivers. He will be truly missed.
