“ Dear Marsha and Mike,
Sorry to learn of your moms passing. What wonderful memories.
She was the only adult that had us call her by her first name. When
we would come in with wet snow boots she stuffed newspaper in
them and made grilled cheese sandwiches and tomato soup. How
she every tolerated the hours of Barbies was amazing.

“ Mike,
I'm so sorry for your loss. I remember all the times your father would
take us fishing and when we arrived at your house your mother
would always have a great lunch ready like it was no big deal. She
was a great force behind the scenes.

Sincerely,
John Bostic
