“ *Words can't express the loss. We have fond memories of Tyler at Kid's Land, ...always liked to play with Brooke's hair. At day's end I would see Tyler sitting with Brooke, hair in hand, rubbing it on his face. Both seemed content with this, especially at movie time. SO sorry. Your family is in my prayers.*

Tyler was like a big brother to David when they were little. Sometimes David's big brothers ignored him and Ty always stepped in to take the big brother role! Many other fond memories of our time looking for Christmas trees and at Disney. Thoughts and Prayers.

“*We are so sorry for your loss. We cherish all the memories we have of Tyler from his infant smiles in the daycare crib, swinging a bat at a ball field, Pioneer Waterland, in a row boat with "Mr. Rob", playing in our backyard or sledding down the hill behind the Polo Bldg. Words cannot express how we feel. We hold you (Sue, Ray & Mitch) in our thoughts and prayers during this difficult time.*

“ *Was blessed to know Ty through our first two Improv classes. My lasting memory will be passing him on the Piper's Alley escalator a few weeks ago. His smile and high five sending us each on our separate ways.*
