“ To the Winslow Family: I wish I could offer some words of comfort in this time of heartbreaking loss. I am just so deeply sorry to hear about Tyler's passing. He is one of those students who leaves a lasting mark on all of us who were fortunate to have had him as a student. So bright, talented and a delight to teach, the loss of such a special young man is tragic. He lives on in the memories of all whose paths he crossed. He will always be a part of the Shore family.

With deepest sympathy,

“ Roger & Theresa ... Word can't express the our sympathy for the loss of Tyler. While we never had the opportunity to meet him and only just a few years ago, got to see you again Roger after many long year and to meet Theresa, we immediately fell in love with the two of your, the stories of your family and the love that you all had for each other. Roger, in talking with your Mom, I got a glimpse of who Tyler was and all that he accomplished in his life. While far to short, it's apparent he touched the hearts of many individuals who are blessed from knowing him. Our thoughts and prayers continue for you and your family for strength and healing in dealing with this loss. Kelley and I love you guys. God Bless you all. Scott & Kelley Smith

“ My dearest brother and his wife and Rachel, there are no words to express how much I am hurting for you. I am so very blessed to have had this beautiful soul as my nephew. Tyler was the perfect combination of both his mother and father. His strength, and calm demeanor balanced his curiosity, energy and his never ending determination. I think we all knew Tyler was special from the start. His smile lit up all our hearts and his strength, courage and kindness will never be forgotten. He will forever be in my heart as you all will be in my thoughts and prayers. He will be watching over all of you with his love and wisdom and will be guiding you in his own special way.

“ *Theresa, Roger, and Rachel,*

*I was absolutely devastated to learn about Tyler's passing over the weekend. I worked at MHYC in the snack bar for five summers throughout college and grew to know Tyler very well. Tyler was one of the nicest, most genuine young men I have ever had the privilege of knowing. Every summer, Tyler would come in to visit me and would always offer to help out if it got busy/chaotic. I ran into him a few times at MHS when I started working as a substitute, and was happy to see that he had not changed at all. You should be very proud of the young man that you raised. I will always cherish the memories I had at MHYC, particularly watching the kids (like Tyler) grow up to be amazing adults. He will truly be missed by many.*

*I regret so much that my Lake County trips became so infrequent after our mother passed away. I missed too much time with the younger Winslow's and their children. The silver lining in this sad event is that all of the comments I have been reading from Tyler's many friends (and also yours, Roger and Theresa) reveal just how fine a man he had become. He was the person everyone wanted as a friend. Every person said he was genuine and kind. As bad as he must have felt the weekend of Lauren and Kevin's wedding, he spent a lot of time sharing his portfolio with me, explaining what each piece was, what he wanted it to represent. He was truly extraordinary. His passing will be felt by everyone who knew him. I love you, Theresa, Roger and Rachel and I love you, Tyler.*

*God bless all of you.*

“ *Mr. and Mrs. Winslow,*

*I want to express my deepest sympathy to you and your family in the loss of Tyler. It was my pleasure to have Tyler not only in class, but also as a member of our golf program. I was shocked when I heard the news last evening from one of his teammates, Brandon Kasberg. He indicated that Tyler had went through some tough health conditions and that he has passed this weekend. Tyler was a person who always had a smile on his face. In golf I remember when I would ask him how he was doing.. he would get that grin or smile and say "Okay". He could have been playing great or poor you couldn't always tell. He then attended the only college that has a great football program.. The Ohio State University. I truly believe that they will have an angel with them as the season progresses. Again I send you and your family a my deepest sympathy and I pray that God will give you the strength to carry Tyler with you every day in your heart. For although he is gone from this world our faith will provide that we see him again. Tyler's memory and his zest for life lives on inside all of you and all those who he touched.*
