“ My deepest condolences and prayers go out to the Giorgi family. I'll always have our shared work experiences, occasional dinners with our wives and Vince's smiling face as treasured memories. We shared many conversations about life situations that usually ended with one of his many unique theories resulting in laughter. I will sorely miss those comforting times. Lois and I were blessed to have lunch and a visit to Vince and Rosemary's home just days before the good Lord called him to His heavenly home. May you forever rest in peace my good friend.

“ My heart breaks for the loss of such an amazing human, but Heaven will rejoice as it has received an Angel! Vince truly was a remarkable man. Not only was he my father's business partner and close friend of my parents, but I had the pleasure of working for him for almost 15 years. He was caring, compassionate, understanding, honest, loyal, empathetic, smart, and kind - attributes very difficult to find in any one person let alone a boss, and he was all of these. Not only this, but because my dad was living in Greece most of those years, I felt in many ways he was like a father to me - someone to whom I could always talk that would be the voice of reason and virtue - reminding me that being a good person and being honest would always be most important. I remember he would always say, "The truth will set you free!" Well Vince, as deeply saddened as I am to know you have left this Earth, I am comforted to know that you are surely in Heaven roaming free with the Angels, as I believe you were an Angel yourself on this Earth! I will miss you SO much and remember you always. May you rest in peace. To your family, please accept my deepest condolences. May God restore your spirits, give you peace, and strengthen you during this difficult time.

“ I have been employed with the Giorgi family and Omega Real Estate since January 2006. Our meeting was truly a Devine connection. Linda L Stephens sent me to Omega Real Estate for an interview, little did she know, I also had another interview scheduled for the same day. She let me know, that the Giorgi family were great people to work for. At the time I had no idea what she truly meant. Over the years I have had the opportunity and privilege to meet various members of the Giorgi family. I personally have not met a member of the family that was not a wonderful human being. I give Vince and Rosemary the credit for how they have raised and taught their family. Vince has truly been a blessing in me and my family's life. We have shared so my laughs, he has taught me so much, not only about the business, but about life as well. I have so much love and admiration for this family! Vince, I will never forget you. God bless you and your family always. Rest in peace! Love Always, C. R. Hilliard

“ *Vince was one of the nicest people I ever had the fortune to work with in real estate. I never heard him say anything negative about anyone, and he was always a ray of sunshine no matter what was going on in his life. A true gentleman- they just don't make them anymore like Vince. I really miss him already and still can't believe he's gone. I pray for the comfort of God upon his wife and his children and grandchildren . He was blessing to so many people.
