“ *The last 3 years that I have spent getting to know you and all the memories I have I will treasure. From the jokes of Kylee moving into your bottom drawer, telling her to kick butt at football and sitting quietly eating ice cream together. We will miss you dearly. I know you will be cheering kylee on from above. We love you!*

“ *Aunt Ginny! Thank you for loving my Uncle Tony! He loved you more than anything in this world and It was a joy to see him happy for the rest of his life. I am glad you two are together again. I am sure my mom was right there by his side welcoming you into Heaven. May you rest in peace. Love Pam*
