“ Dear Betty, It's been many many years since Billy and I were little kids together growing up in Star Junction, PA. Our families were so close that Billy and I thought that we were cousins until one day my mother told me that we were not really related just best friends. My mother Ann Olinzock and Billy's mom Julie were the best of friends all through life. Please accept my deepest sympathy to you and your family. Diane (Olinzock) Barin
