“ Have certainly missed Bill's smiling face at the Y, the place of my memories of him. Going way back - who knows how far. But what great memories they were. Also have missed running into your family for Sat. breakfast. Am sure your family gathering will be a great celebration of his life and there will be many stories told! May all of those precious memories brighten your life without Bill.

“ Bill has been a good friend and Brother Mason. He always provided me with a warm handshake and smile whenever we met. When my family and I moved to North East Ohio, he introduced us to his business and helped us replace our needed TV set. He was a Past Most Wise Master of Ariel Chapter of Rose Croix, AASR. While I was going through this Chapter line, he was always supportive. Unfortunately, my wife and I got to observe his decline due to his Parkinson's Disease. May he now rest in eternal peace!

“ So many cherished memories! Uncle Bill was a true gentleman and his actions echoed his strength, integrity, compassion, generosity and kind personality. He embraced my Mom, my son & me at a time when we were feeling very lost and helped guide the path of our lives for the best, forever. I remember, with so many smiles, him taking my son to Florida on many of his travels, and the hilarious stories they would share when they came home. As the years went on, he continued to welcome and embrace our growing family, including Bill, our additional children and their families, Aunt Luella & Nancy. We loved working on the Family Tree together, and hearing all the awesome stories about each and every person. We treasure the car ride that Uncle Bill took us to share his own history with us. One of our favorite things to do was to go to Yoder's Restaurant together, sharing great food, yummy dessert and great times. There are so very many laughs and stories that we will always hold in our hearts as we cherish our time with Uncle Bill. We're so very thankful for the blessings that we shared. May God place His loving arms around Uncle Bill's family and carry them through this very challenging time. We're praying for much peace and countless happy memories for his family. Much Love.
