“ I worked in the IBM Cleveland office and remember Bill for his sarcastic sense of humor. After he retired I occasionally ran into him at the Mentor Heinen’s where we shared political views (same) and debated the local Catholic Churches. I belong to St. Gabriel so that sparked many a comment. I had hoped to attend Mass today but am unable. My sincere sympathy to Mrs. Gilroy and the family. Bill was one of a kind.

“ Bill and I worked together in Cleveland from the early 70's to the early 80's. We were both Systems Engineers. He taught me a lot about the business and was a great guy to work with.
