“ *I'm very sorry to hear of Bill's passing. I knew him from the time I was a little girl and he was little boy. He lived in the neighborhood where we grew up. My sympathy goes out to the entire Hetzel family, including his beloved poochies. I am a dog lover too.*

“ *Bill,
The first person I met at my interview. I don't think I would have made it through without you keeping my attention for 8hrs while they jerked me around. That was 20yrs ago and you were my good friend ever since. you are going to be missed something awful.*
