“ *To the Kuret Family  
We are both so sorry to hear about Bill. We have so many memories of him from being band parents, touring winery's and most of all a couple of really crazy Kelley'S Island trips. Bill always knew how to make everyone around him feel special. We are sorry for your loss

“ *I remember visiting as a kid and uncle Bill driving me around town in his very bumpy pickup truck. Buying me McDonald's, showing me the big boat made out of concrete on the side of the road, swimming in his backyard. It seemed like he was constantly trying to make me laugh and always succeeded. I will always miss that about him*

“ Tim, Phil (Gliebe) and I grew up on Naumann Ave. Best of friends in the 1950's. Bill was 3 years our junior. As we entered adulthood and moved from Euclid, we maintained intermittent contact. I too have fond memories of our childhood activities. I am sorry to hear of Bill's passing. Please accept my sorrow and condolences.

“ Mr. Kuret I have you to thank for my knowledge of working on cars, even my foreign car. You had every tool in that garage for every project. Thank you for the time you spent with "us kids" years ago, teaching us along the way, and always welcoming us into your home. RIP Mr. Kuret, sure going to miss your laugh. Mrs. Kuret, Bill, & Carol, I'm so sorry for your loss.
