“ *I was fortunate enough to spend many holidays, birthdays and family gatherings with Bill and had the privilege of calling him “Dad”. My most vivid memories are at those functions where he was at his happiest enjoying his children grandchildren, & great-grandchildren. And, of course, the smile on his face when opening birthday cards that had lottery tickets in them.*

*With a broken heart, we extend our deepest sympathies and prayers to “Mom”, Cathy and the rest of the family. I know his memories will never be forgotten and stay with you always, just as his presence will always surround you. I pray that he will rest for all eternity at his ultimate destination with God and that God will comfort you all, with healing and strength in the coming days. Love, Lori Apolito & family*

“ *I only have one memory of Bill and that was when I met him at the beach in Naples one day with his daughter Cathy. He was such a devoted husband and father. It was so nice to see the love that he had for his wife and how he cared for her. It also shows through his daughter Cathy because she is such a loving and giving soul as well. He was such a good example to his daughter I know she will miss him dearly. May he rest in eternal Peace. My sincerest and heartfelt condolences, respectfully, Debbie Romano.*
