“ *Gayle and Jim, so sorry for such a tremendous loss. Could not believe it when you called. In a bittersweet way, there is a happy ending. They are together now and one did not have to wait for the other to join them. What a love story. I recall the stories you told us of your Father watching Fox News and CNN at the same time. I think he cared a lot about the world and wanted it to be a better place. We made a donation to Hospice of Western Reserve in honor of Bill and Flo. Joe and Debbie Hurley Oxford, Ohio.*
