“ Wilma was a wonderful sister-in-law to me and a loving sister to her brother. She and Richard came to our 50th wedding celebration. She loved playing with her great niece and nephew. She played with Conrad a game of throwing a bean bag at a target. She was happy to see everyone and I believe it made her day. Children have always been a priority even in her neighborhood. I believe God has her in a special place playing and looking out for all children in heaven.
